

What You Can Do to Combat Gun Violence

LOCAL LEVEL

- 1) Stop Sanctuary County Movement
- 2) Request County Level Referenda (non-binding) that will decrease the threat of gun violence– but relevant because ...
We are changing the culture (changing norms, expectations, what is acceptable, etc.) around guns.
- 3) Make sure your local school board is aware of the effort to hire retired law enforcement officers to work as armed administrators in Illinois public schools.

STATE LEVEL

- JOIN the ILGVP Coalition – as an individual or on behalf of your faith or community organization – so you can do TWO things...
 - o Know when and how to take action on future state-level legislative initiatives
 - o Help change the culture around guns by...

Learning how we have one problem – not several different problems – and that problem is VIOLENCE, which is made far more lethal than it has been because of the EASY ACCESSIBILITY OF FIREARMS.

Supporting the people and organizations that are making change.
